Proceedings of the Government of His Highness the Maharaja of Mysor

READ—

(1) Letter No 1034 dated 8th October 1903 from the Pr vate Secretary to His Highness t e Maharaja of Mysore forward ng a pet tion f om Mr S Krishnasawmy Iyengar a native of Mysore now studying at the Purdue University Indiana United States America

(2) Public Works Secretary s note dated 9th December 1903 forward ng for approval the following note dated 8th idem by Major A J deLotbiniere R E —

Financial forecast of the co t of ha ng the fou Myso e stud nts n ow in Amr a complete their stud es a l eturn to Ba gal re

In the l st of students dealt with below I nclu le Mr S Krishnasawmy Iyengar as requested by the Dewan in h s note dated 2nd December 1903 It will be re nembered that Mr S Krishnasawmy Iyeng r proceeded to Amer ca some t me ago and e tered Purdue Uni versity at his own charges H s funds are run n out and he has applied to Government for the studentship rendered vacant by Mr Rice s return to India

I am glad Government has dec de l to g ve Mr Kr sl nasawmy Iyengar tl e studentship as we want a man qual fied in the El ct ical red ction of metals alum n um a d sm elt ng of iron ores I therefo e propose tl at th s student l ould devote h m self e pec ally to this subject after having acqui ed a general knowle lge of the Science of Electr city Regarding these four students I propose g ving below a fo ecast of the cost to Government for each man from the day he left India except in Mr S Krishnasawmy Iye gar s case till his return —

MR SHESHADRI IYENGAR

Subject—Power & M ning

This student left India on M rch 22n l 1902 He join d the General Electric Company and entered the Test ng Department and worked there t ll September 1903 when l e entered Colum b a College to complete h s education He cost Gove nn ent up to 30th June 1903 Rs. 3 743 He will rema n at College t ll the end of March 1906 by which t me he w ll have completed h s course of two years and seven months Therefore he will cost Government—

	Rs
(a) From 1st July 1903 to 31st August 1903 at $50 per mont 2 months=$100	300
(b) From 1st September 1903 to 30th June 1904 10 months at $75=$750	2 250
(c) From 1st July 1904 to 30th June 1905=12 at $75=$900	2 700
(d) From 1st July 1905 to 31st March 1906 9 months at $75 =$675	2 025
	7 975
(e) Apart of the above we allow a sum of $600 for College fees instruments travelling etc	1 800
(f) We then have to bring him back to Ind a ir April 1906 cost	1 000
Total cost from 1st July 1903 to return to In l a May 1906	10 075

The above shows that for Mr Sheshadri Iyeng ar

We should have a Budget provision in 19 03 04 of [this includes rd of item (e)]	3 150
In 1904 05 [this includes ⅓rd of item (e)]	3 300
In 190 06 [this includes ⅓rd of (e) + all (f)]	3 625
	10 075

MR B DWARK NATH

Subject—Electric Li ghting

Left India 22nd March 190 and worked there till the prere at time On 1st January 1904 he will take up Electric ighting as a speciality and will then r quire an enhanced contribution from Government

4 and joined Testing Department General Electric Company

He cost Government up to 30th June 1903 Rs 3 743 He will complete his studies and return to India in January 1905

Government will allow him $75 per month for 1904—

(a) also $400 for travelling, tools, fees, etc

(b) Rs 1,000 for returning to India

The budget provision for 1903 04 should therefore be as noted below —

	Rs
From 1st July to 31st December 1903 at $50 for 6 months =$300	900
From 1st January to 30th June 1904 $75 for 6 months =$450	1,350
Add ½ of item (a)	600
Budget for 1903 04	2 850
Budget for 1904 05 1st July to December 1904, 6 months at $75 =$450	1 350
+ ½ of item (a) $200	600
+ item (b)	1,000
Total	2 950
Therefore total cost for Mr Dwark Nath from 1st July 1903 till he returns to India in January 1905	5,800

	Rs
i e, for 1903 04	2 850
for 1904 05	2,950
Total	5 800

MR CARRIAPPA *Subject—Electric Traction & Railways*

Left India 22nd March 1902 and joined the Testing Department, General Electric Company and worked there till the present time

In January 1904 he will take up Electric Traction and Railways as a special subject and will then require an enhanced contribution from Government He cost the Government up to 30th June 1903 Rs 3 743

He will complete his course by end of June 1905 and return to Bangalore

The Government will allow him $75 per month for 1904 05—

(a) also $400 for travelling ,tools etc

(b) Rs 1 000 for returning to India.

The budget provision for 1903 04 should therefore be as under —

	Rs
From 1st July to 31st December 1903 at $50 per month= $300	900
From 1st January 1904 to 30th June 1904 at $75 per month= $450	1 350
Add ½ of (a)=$200	600
Total for 1903 04	2 850

Budget provision for 1904 05—

From 1st July 1904 to 30th June 1905, 12 months at $75= $900	2,700
+ ½ of item (a)	600
+ item (b)	1,000
Total for 1904 05	4,300
For 1903 04	2 850
For 1904 05	4,300
Total	7,150

FOR MR S KRISHNASAWMY IYENGAR *Subje t—Electrical Reduction of Metals*

He is now at Purdue Univers ty His course will last t ll end of June 1906 (Official year)

We w ll therefore allow h m a contribution of $ 0 per month for which prov sion mu t be made till end of June 1906 (Official year)

	Rs
From 1st Janua y 1904 to 30th June 1904 6 months at $ 0=$300	900
I or 1904 0 12 months at $50=$600	1 800
For 190 06 at $ 0—$ 00	1 800
Total	4 500

To recapitulate the Budget should provide for these four students in—

	Rs
1903 04	9 7 0
1904 0	12 3 0
1905 06	5 4

All the students except Mr S Krishnasawmy Iyengar (an agreement will be sent h n for signature) signed the attached form of agreeme t before leaving for America

Th s agreement binds the students to serve Government for at least three years on the r return to Ind a if Government desires the r services

I may mention that Mr R ce has returned to Government his passage money R 3 00 accord ng to the terms of his a reement as he returned to Ind a within three years without sanction of Government

The above Bu get provisions are considerably h gher than originally ant c pated but n the first case we tho ght the students wo ld spend all the r time with tl e General Electr c Company and dra v pay from it Now that we ha e decided th t each student s to take up a spec l branch of Elect ty we have to contribute more for their s pport as they will earn nothing wh le working at their special subjects

The services of these four highly trained men should enable Government to be more independent of Foreign Assistance in ru ining the Ca ivery Installat on

Farly orders on this note a e sol cited as if the students are to take up special subjects tl ey sl ould commence work in January 1904

No 1393 400—7208 15 DATED BANGALORE 24TH DECEMBER 1903

ORDFR THEREON —The Government of His Highne s the Maharaja of Mysore have been pleased to accord sanction to the various proposals contained in the note read above and to include Mr S Krishnasawmy Iyengar a native of Mysore already undergoing training in the School of Electrical Engineering of Purdue University Indiana United States America among the State students sent to America granting him the studentship rendered vacant by Mr H D Rice Assistant Engineer Mysore Public Works Department also the additional expenditure of Rs 27 52 thereby involved which is intended for the purpose of educating the students in some special branches of Electrical works for a period of about three years from January 1904

II The cost being debitable to the Education Budget, the Inspector General of Education will be good enough to move the Government in the Financial Depart ment to authorize the Comptroller of Mysore to place the funds required for the current official year at the disposal of Messrs Coutts & Co Bankers Strand London who will make the necessary payments to the students through the General Manager Foreign Department General Electric Company Schene tady New York, United States, America, as heretofore
